Courdrea Jones

Motivated IT professional with over three years of customer service experience in hotel front desk and night audit roles. Strong foundation in computer hardware, networking fundamentals, and technical troubleshooting, complemented by proficiency in Microsoft Excel and business software. Recognized for excellent communication, problem-solving skills, and commitment to delivering outstanding technical support.

Work Experience

Hotel Front Desk Agent, The Celestine Hotel

New Orleans

02/2025 – PRESENT

- Orchestrated front desk operations by efficiently checking in and checking out guests, ensuring a seamless arrival and departure experience.
- Communicated effectively with guests to address inquiries and resolve issues, enhancing overall guest satisfaction.
- Responded to guest emails promptly, maintaining clear and professional correspondence to support guest needs.
- Addressed phone calls from prospective and current guests, providing accurate information and assisting with reservations or concerns.

Night Auditor/Front Desk Clerk, Rubenstein Hotel

New Orleans

02/2024 – 01/2025

- Served as a full-time night auditor, demonstrating dedication by performing accurate nightly financial reconciliation.
- Verified reservation deposits were processed post-nightly audit, reducing billing discrepancies and improving financial accuracy.
- Processed guest check-outs and provided welcoming greetings, contributing to positive guest experiences and repeat business.
- Addressed phone calls from prospective and current guests, providing information and resolving inquiries to enhance guest satisfaction.
- Leveraged Microsoft Excel for report generation and data entry, ensuring accurate record-keeping and an efficient workflow.

Night Auditor, AC Marriott New Orleans

New Orleans

07/2022 – 09/2023

- Executed responsibilities as a full-time night auditor, consistently upholding meticulous nightly financial processes.
- Ensured reservation deposits were processed accurately after the nightly audit, maintaining financial integrity and minimizing errors.
- Facilitated guest check-outs and offered warm greetings, elevating guest satisfaction and encouraging positive reviews.
- Handled incoming phone calls from prospective and current guests, delivering prompt assistance and information to meet guest needs.
- Managed data entry and financial receipt processing using Microsoft Excel, ensuring precise financial documentation.
